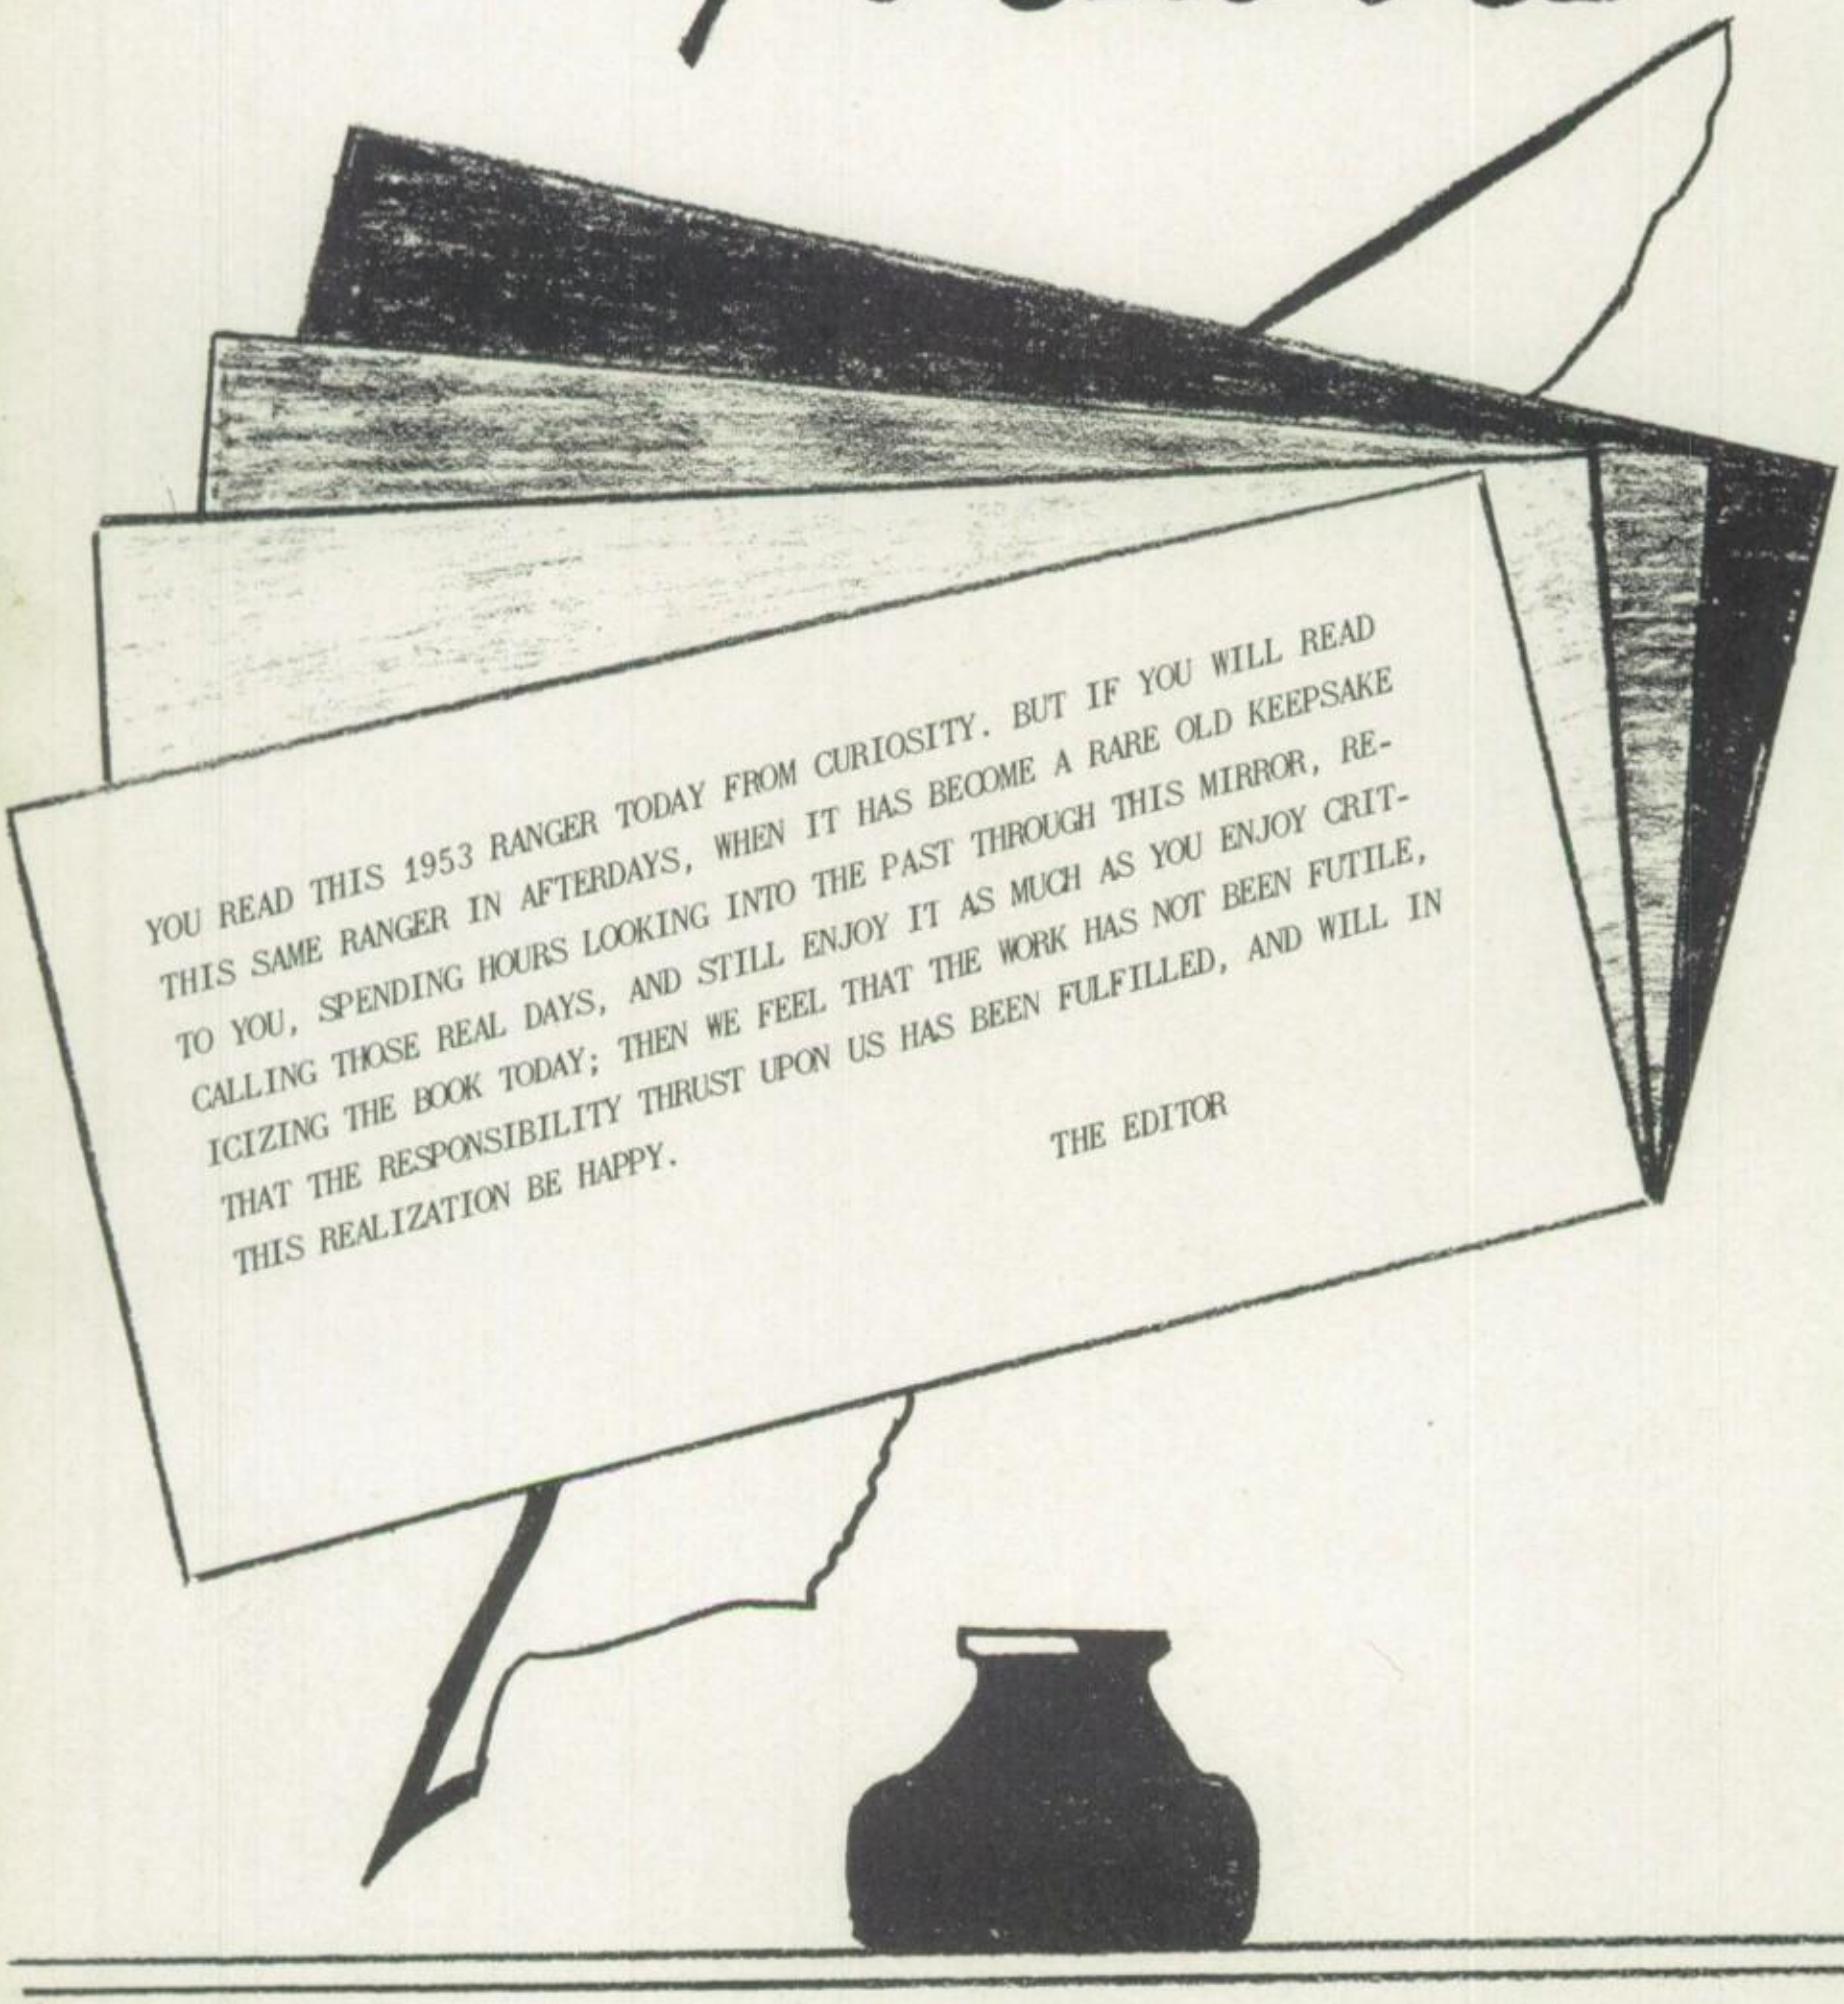
Foreword



YOU READ THIS 1953 RANGER TODAY FROM CURIOSITY. BUT IF YOU WILL READ THIS SAME RANGER IN AFTERDAYS, WHEN IT HAS BECOME A RARE OLD KEEPSAKE TO YOU, SPENDING HOURS LOOKING INTO THE PAST THROUGH THIS MIRROR, RECALLING THOSE REAL DAYS, AND STILL ENJOY IT AS MUCH AS YOU ENJOY CRITICIZING THE BOOK TODAY; THEN WE FEEL THAT THE WORK HAS NOT BEEN FUTILE, THAT THE RESPONSIBILITY THRUST UPON US HAS BEEN FULFILLED, AND WILL IN THIS REALIZATION BE HAPPY.

CLASS MOTTO

SUCCESS IS OUR GOAL; INTEGRITY OUR PATH.

We can MAKE BELIEVE we're leaving
All our dear friends at Kemmerer High.
We can find peace of mind in pretending,
That we're here, that we're near, all of you.
Seems like yesterday we started
All our glorious years at K.H.S.
Might as well MAKE BELIEVE we'll miss you,
For to tell the truth we do.

Class History

When in course of school events, it becomes necessary for the Senior Class to dissolve the educational bonds which have connected it to the other classes, and to assume the duties of citizenship for which their school life has prepared them, a decent respect to the opinion of the other classes requires that they should transcribe this history leading up to their graduation.

We, the Senior Class of 1953, entered the wide corridors of K.H.S. in the fall of 1949, feeling a bit apprehensive but eager to begin our higher education. Our class elected Delano Woods, as Class President, Margie Reed as Vice-President, and Barbara Schooley as Secretary-Treasurer. Of course Danny Alleman was elected as the high (???) ranking position of Student Body President.

As our second session convened we elected Raymond Martin as President, Glen Dolar as Vice-President, and Dolores Parent as Secretary-Treasurer. Our biggest event was our Sophomore Ball entitled the 'Cinderella Ball.' The atmosphere was that of golden slippers, and of course the hands of the clock pointed to midnight. By now we were becoming full-fledged members of the school.

As Junior statesmen, we began our third session by electing Ted Gunter, Delano Wood, and Margie Reed to hold our highest offices. When we received 1st prize for our float in the Homecoming Parade, we proved that we were going to make a successful year. Between hopping hats and flying candles, the play entitled the 'Night Owl,' was a great success. Next the Seniors gave the Junior Prom in which Darlene Anelli, was chosen Queen, and Gerry Gagliardi and Margie Reed her attendants. With full steam ahead we thundered on the more glory by taking 1st place in the Inter-Class Tournament. To end this successful year we entertained the Seniors with the best dance of the school in several years, with the Senior Ball, 'Chinatown.'

Taking our honored places as Seniors we elected Fred Findlay, Donald Juvan, and Dolores Parent as officers. We began the ball rolling with our successful Carnival skit 'Goofus.' Next we made a successful Junior Prom, with the theme of 'Blue Christmas.' We then captured 1st place in both the basketball and baseball tournament. Ever Since Eve, was the Senior Class Play, produced and rated as the best amatdur play 'Ever Since Eve.'

And for the support of the declaration and with a firm reliance on what the future holds for us, we mutually pledge to each other our Lives, our Fortunes, and our sacred Honor.

CLASS PROPHECY

It is the year 1965 and the biggest Alumni Homecoming Dance in the history of Kemmerer High School is in full swing with the music of Tommy Dorsey and his orchestra. The dance is taking place in the beautiful new gymnasium dedicated to the 'Class of 1953'. Everyone who went to the school from 1945 to 1960 is attending. Mr. Fowen, who is now dancing with his wife, recently won the Pulitzer Prize for his magnificent book, *How to be a Woman Killer*. Mr. Clifford Pomeroy, director of the United States Military Academy, is here with his wife and family.

Entering is Donald Juvan and Margaret Reed. Donald is dressed in a beautiful blue suit adorned with a white carnation, while Margaret is wearing a pink ballerina formal. Since Donald is the manager of the 'Juvan-Lupcho Carpenter's Association', Margaret collects rare wood. Sweeping in behind this couple is John Lupcho. And who is this with him? Why it is Virginia Potter! Virginia, as you all know, is one of the top models in Hollywood's Bon Marche, so we should feel proud to have her here.

Billy Gianola just tapped Darlene Annelli's escort on the shoulder. It is hard to believe that Darlene and Matt Barbero are the happiest couple in the world. That is, according to *Truthful Marriages*, edited by Billy. Danny Alleman and Marilyn Beachler have just come in. Mr. and Mrs. Oliver Beachler just announced the engagement of their daughter, Marilyn, to Danny. Gerry Gagliardi and Betty Gilchrist have really made a success of their beauty shoppe. Their ideas are being used by some of the leading Parisian beauty operators. Three instructors of OPU, Fred Findlay, Lester Jones, and Jon Beyda, are talking shop and looking over old students. You'll remember them: Fred Findlay, biology professor, Lester Jones, who will soon be getting his doctor's degree, and Jon Beyda who is Professor of Zoology at Princeton University.

Gary Rawlings, Bonnie Niel, and Jim Sawaya pooled their resources and developed the largest cattle ranch in Australia. When they come in, they left their guns and spurs at the door. Dolores Parent is a big game huntress and she also had to leave her rifle at the door. In Africa Dolores was hunting rhinoceroses. Velma Borino, who is greeting them, came down from Washington. We are glad to learn that Velma is quite an expert on forming this country's foreign policy. They are all making up for lost time talking to Teddy Gunter, who is now in the Army as 'Chief Cook and Bottle Washer'.

Jimmy 'Tex' Brown and his wife, Bette Sudonick, are having an argument with another on the floor about who bumped into who. Jimmy is Dean of Wesleyan College for Girls. The other couple, Paul Anderson and Jo-Anne Fiorini, look as if they are getting the better of the argument. As you all know, Paul and JoAnne are in the jet business together. Paul is the instructor and JoAnne is none other than his secretary.

Mr. and Mrs. Oliver Beachler just announced the engagement of their daughter Marilyn, to Danny Alleman .

Glenn Dolar, an undertaker, and Otto Pikl, head of the Orlando Recreation Department, are having a heart-to-heart talk. Otto, who give the boys a good workout, also gives Glenn a good supply of customers. Helen Kolata, a prominent photographer, is helping to arrange the lighting for the floor show. Francis Lenatti is also putting in her two cents worth. As a bootlegger, she has a natural gift for arranging the indirect lighting, the bulbs must be well hidden.

At last everything is set. The lights dim, and the band plays soft strains of music. George Miyake will be the MC--just the person, as he now has a question and answer program on NBC. First on the program is Mary Jo Fatica, a rising opera star. All we can say is--'The Metropolitan Opera isn't what it used to be!' Fred Celebrin is next, and Fred is going to give us an exhibition of how he helped defeat the Diamondville Broncs when he played for the Globetrotters a few days ago. And last, but not least, is Carol Bott. She will entertain us with a concerto by the world known composer of opera music, Raymond Martin, Sr.

So on went the dance and on went the lives of the glass--we wish for each of them good luck and happiness.

GEORGE MIYAKE leaves his abilities in science to anyone who needs them.

To Joe Coletti goes GARY RAWLINGS' wookworking abilities.

RAY MARTIN is so stingy he doesn't want to leave anything to anybody.

DON JUVAN leaves his good looks to anyone who wants them.

FRED CELEBRIN leaves his height to Johnny Coletti.

JIM SAWAYA leaves his weight to Dee Burnett to use in football in future years.

To Marian Nelson goes DARLENE ANELLI's personality and poodle hair-do.

To Martin Budack goes OTTO PIKL'S genius in everything.

BILLY GIANOLA leaves his car to anyone who can drive.

To Walter Harris goes CLIFFORD'POMEROY'S extensive knowledge of Webster's dictionary.

GLEN DOLAR wills his football power to Frank Scigliano.

BETTE SUDONICK wills her flirting ways to Mildred Odorizzi so Mildred can give the boys a chance in the years to come.

MARGIE REED leaves her singing ability to Winifred Sawaya because the school needs more singers like her.

MATT BARBERO leaves that beautiful curley hair to Glenn Sorensen.

JOHN LUPCHO leaves his strength and virility to Walter Ness.

VIRGINIA POTTER leaves her steam and pep to be spread evenly over the entire studnnt body.

Brains are always useful, thus Gayle Stephens will inherit those of CAROL BOTT.

FRED FINDLAY leaves his desires to skip school to anyone who gets spring fever.

JIM BROWN wills his long hair to Le Roy Lewis to use.

DAN ALLEMAN'S singing ability is left to the Vickreys.

DOLORES PARENT leaves her quietness to Jo Anne Koci.

BETTY GILCHRIST leaves her laugh to Dean Makie to use.

JON BEYDA leaves his ability of picking up women to Arlyn Wainwright.

ROBERT BOWEN leaves his ability to pull corny jokes to Paul Miyake.

MARY JO FATICA leaves her ability to win arguments to LaVina Munari.

FRANCES LENATTI leaves her ability to make friends to the entire student body.

PAUL ANDERSON leaves his briefcase to anyone who carries important papers.

HELEN KOLATA leaves her stubbornness to Ruth Armstrong.

MARILYN BEACHLER leaves her ability to make fresh cherry limes to anyone who works in the schow Drug Store in the future.

CLASS HISTORY

The Junior Class, the largest class in the school having 35 members, got off to a wonderful start for the 1952-53 school year when they took first place in the Homecoming Parade. Their next activity was the Halloween Carnival skit of "Dangerous Dan McGrew." When the time for the Junior Prom came the class never had to do any decorating because the Seniors sponsored this gala dance. Olga Marcon was crowned queen of this event. The next event on their list was their class play "Dimples," centering around what happened when a boy entered a contest strictly for women. Their last big happening was their sponsorship of the Senior Ball. This class, certainly, is prepared to take over the leadership of KHS next year.

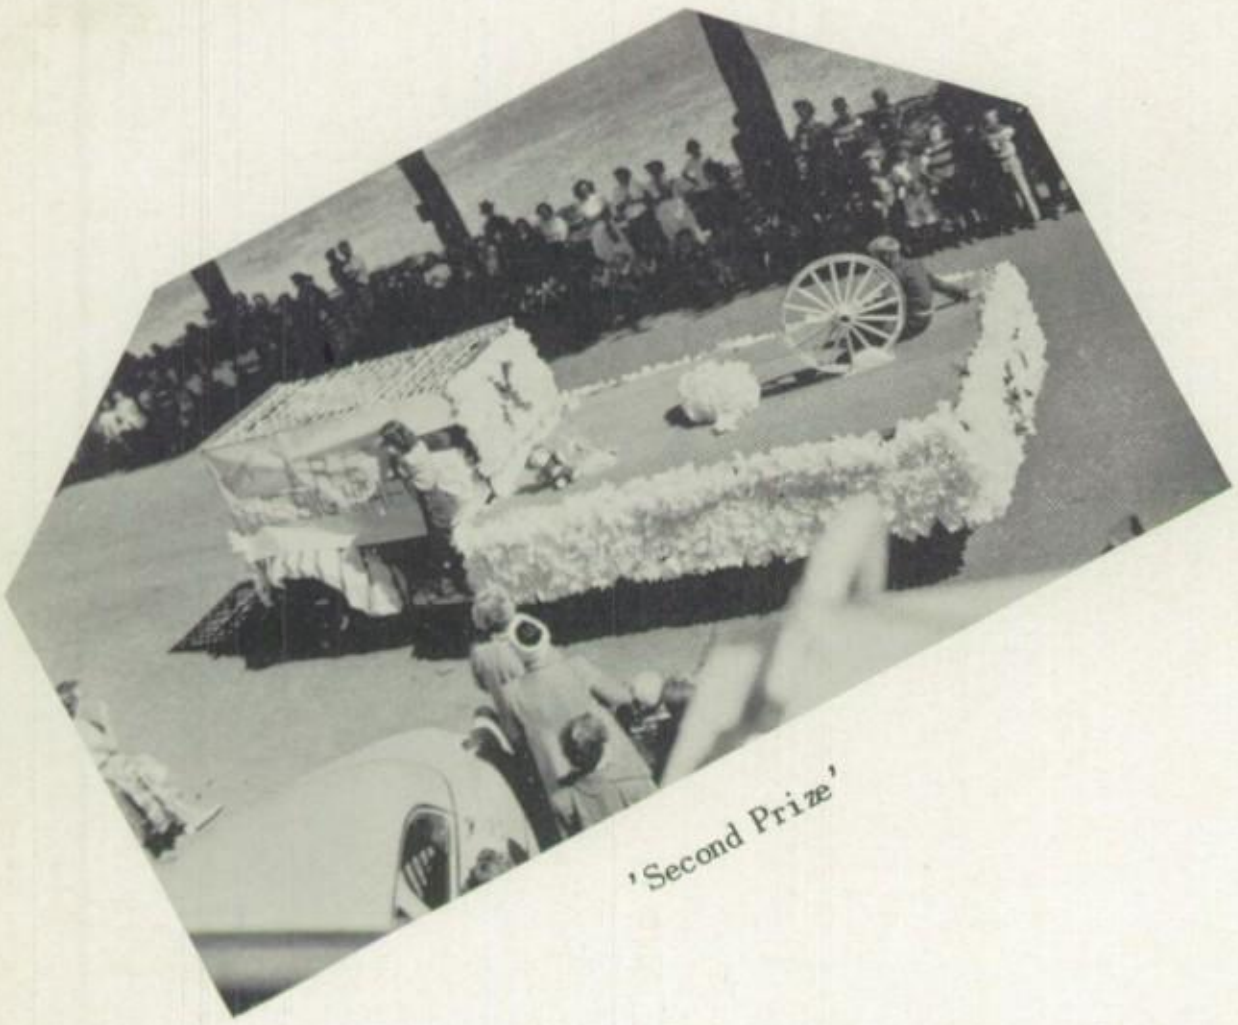
CLASS HISTORY

When this small class of 20 captured the second prize in the Homecoming Parade, they proved to the school that they were working for the best. Their next event was their ball centering around the theme of 'Stardust'. By winning the pep jug for their spirit and pep, the class proved that a small membership doesn't necessarily mean that one doesn't have spirit. Though their activities were not too many, this class is ready to take over the spot that the Class of '54' will leave to them.



'Second Prize'

By capturing the second crown for their float in the Homecoming Parade, the Sophomore class proved they had artistic ability. This float was the only one that had a covered cab, and it proved to outshow some of the others.

Never before in K.H.S. had anyone seen a male hula dancer until the Sophomores presented their skit for the Halloween Carnvial. Doing the hula dancing with genuine grass skirts were: Max Borino, Dean Boundy and Delmar Sadler.

Their other skit was the leg dance to the song 'Five Foot Two.' The leg were decorated up very prettily, but the faces remained covered.

CLASS HISTORY

With only a class enrollment of 20 this class is at a disadvantage. But their float for the Homecoming Parade showed the school that the whole class is really ambitious. Their first activity was the sponsoring of the Christmas dance for the Junior High. This class will be labeled as a proud Sophomore class next year.

As one of the organizations set up to render services to the community, the Girls' Cabinet has done a remarkable job. Under the sponsorship of Miss Statton the group elected Darlene Anelli as President. The sponsorship of Courtesy Week, decorating of the showcase in the upper hall, baby sitting for the mothers during election, and inspection of lockers. Were some of the group's largest happenings. With all the money that was collected for fines at the meetings, the Girls' had a picnic.

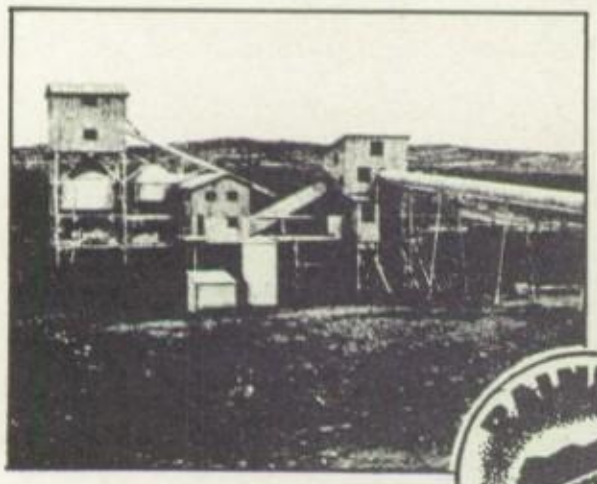
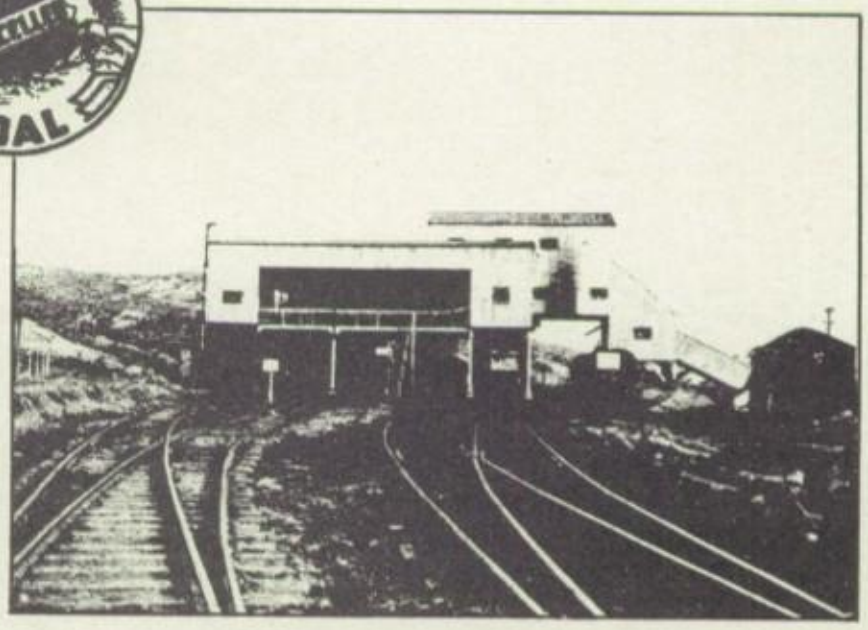
Serving the people of *Wyoming*





Three Great Coals . . .

History is again at the crossroads. World conflict may once more levy its exhaustive demands upon our resources. Coal is the basic fuel on which our country must rely . . . it is the one fuel of unlimited reserves . . . it is the one fuel that can go to war without deserting the homefront. Yes . . . coal can be relied upon to power the machines of war and keep your home warm, too . . . because coal reserves are measured in centuries, not just years. Come what may, COAL is the nation's reliable fuel . . . coal is YOUR reliable fuel.
